Window Elements

1.

Open Front Door

2.

Fold the latch upwards

3.

Slightly push the Window Element

4.

Carefully push the Window Element on the door handle

5.

Slide open the Window Element completely

6.

Protect against gusts of wind with expander hook (you will find it in the cutlery drawer)

To close, go backwards through operations 1 through 6, please.

Furniture

The second bed (left) does not open.

1.

Move the table and cushions aside. Caution: The area in front of the sofa must be free!

2.

Grasp the handle and pull the bed forward until you reach the loosen of the locking magnets.

3.

Bed stops in this position. Now pull hard until bed opens

4.

Caution: Bed now folds automatically to the ground

5.

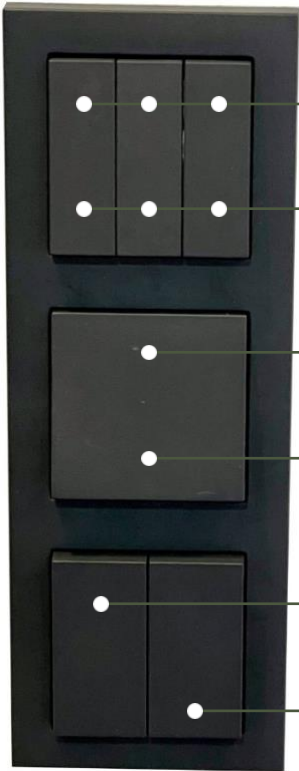

Loosen the straps of the bed linen. Ready!

To close, go through operations 3 to 5 backwards. Then press the bed into the wall unit.

Further Information

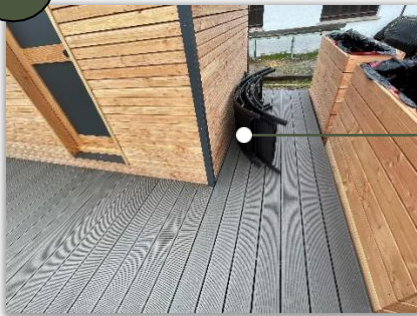

The **Sauna** needs about one hour to heat up.

1.

For comfort, two sun loungers are provided.

2.

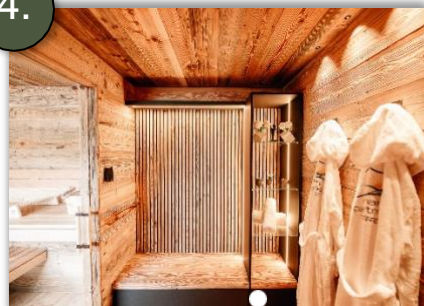

Please put them away after use, as they could cause damage in windy conditions (to the right of the sauna).

3.

Press the power button  at the bottom left, then set the desired temperature  and duration . Click on the desired icon and then regulate with  or .

4.

At the bottom right are disposable slippers - just in case you forget yours.

Outdoor shower please use without shower gel/ shampoo.

FOR THE LOVE OF NATURE!

(In sub-zero temperatures, the shower is out of order)

Further Information

1.

We offer bicycles and e-bikes for rent – daily flat rate.

2.

If you want to have more fun on the Main, you have the possibility to rent SUP boards.

3.
